INDEX

Volume 42 including Supplements

Abdominal pain, recurrent in children, 383
Accidents to children, prevention of, 597
Acrocephalosyndactyly, 359
ACTH, treatment of hypoplastic congenital anaemia, 265
Adrenal dysfunction, congenital, 282
Airblock, mediastinal emphysema and spontaneous pneumothorax in newborn infants, 170
Albers-Schönberg disease, structure of the bony tissue in, 168
Allergy, experiments with a new agglutination method for ascertaining antibodies in allergic subjects, 412
Alm, I., 487, 591, Suppl. 94
Aminoaciduria and dwarfism, cystine storage disease with, 581, Suppl. 90
  with galactosaemia, case of, 480
Aminopterin treatment of hyperacute case of erythroleukaemia, 157
Anaemia, Cooley's, 308
  hypoplastica congenita treated with ACTH, 265
  sickle-cell, 309
Andersen, H. and Hansted, Chr., 386
  et al., 385, 479
Andreasson, M. et al., 385
Angioma, congenital elephantiasis, 416
Anoxia in newborn kittens, rectal administration of oxygen to, 313
Antibodies, complement-fixing, at different ages in herpes simplex, 206
  experiments with a new agglutination method for ascertaining antibodies in allergic subjects, 412
  and tuberculin-sensitivity after BCG-vaccination, 316
Aorta, coarctation of, with an early onset of decompensation, 169
Asboe-Hansen, G. et al., 479
Asphyxia neonatorum, late prognosis of, 398
Asthma, asthmatic bronchitis in children, 87
  electroencephalographic studies in, 432
  experiments with a new agglutination method for ascertaining antibodies in allergic subjects, 412
Astley, R. et al., 581, Suppl. 90
Ataxy, acute cerebellar, in children, 595
Atta, M. and Sievert, B., 364
Aureomycin treatment of infantile diarrhoea, 490
d'Avignon, M. and Keilson, I., 407
Axtrup, S., 282

Baar, H. S. et al., 581, Suppl. 90
Barnett, H. et al., 485
Basal immunity, active, and its application to epidemiology
I. General considerations, 540
II. Basal immunity and secondary response in diphtheria prophylaxis, 542
Basal metabolism in normal infants, determination of, 576
BCG-vaccination, complications of, in infants, 387
and hemagglutinins, 115
tuberculin-sensitivity and antibodies after, 316
Berfenstam, R., 597
Bengtsson, E. and Berglund, A., 389
Berglund, A. and Bengtsson, E., 389
Bergstrand, A. and Hackzell, G., 175
Bergström, A.-L. and Söderling, B., 171
Bickel, H. et al., 581, Suppl. 90
Biering, A., 383
Biering-Sørensen, K., 387
Billaudelle, H., 391
Björklund, S. I., 77, 282, 526
Björkman, G. and Sonesson, L., 283
Bjørneboe, M. and Frantzen, E., 478
et al., 478
Blindness, acute, after measles, 60
Block, congenital heart, 596
sino-auricular in tobacco poisoning, 356
Blood, agnogenic myeloid metaplasia, 481
cocarboxylase content of, in children, 514
Hodgkin's disease in infancy and childhood, 597
hyperacute case of erythroleukaemia, 157
iron-binding capacity of serum in infants and children, 589, Suppl. 93
leukaemia, some observations on the protein chemistry of, 391
sugar during the first day of life in infants of diabetic mothers, 474
thrombocytopenic purpura after morbilli, 364
Boesen, I., 87
and Samsoe-Jensen, T., 480
Bojlén, K. and Rasch, G., 386

Book reviews:

Bodian, Martin, Fibrocystic Disease of the Pancreas, 286
Centre International de l'Enfance, Réunions et conférences. III. Les antibiotiques et les maladies de l'enfance, 600
Dreyfus, Jules R., Säuglings- und Kleinkindpraxis für Nichtspezialisten, 490
Hauser, Fritz, Störungen der Fettresorption im frühen Säuglingsalter, 84
Henneberg, Georg, Weg, Ziel und Grenzen der Streptomycintherapie, 599
Illingworth, Ronald S., The Normal Child. Some Problems of the First Three Years and Their Treatment, 599
Low, A., Growth of Children, 177
Meyer, L. F. and Nassau, E., Physiologie und Pathologie der Säuglingsernährung, 285

du Pan, R. Martin, Contribution à l'étude des relations entre l'âge et l'immunité pendant la jeunesse, 84
Polleri, J. O., El prematuro, 285
Roviralta, Emilio, Les vomissements du nourrisson, 600
de San Martin, A. M., Alimentacion del lactante, 285
Selye, Hans, and Horava, Alexander, Second Annual Report on Stress, 286
Talbot, N. B., Sobel, Edna H., McArthur, Janet W. and Crawford, J. A., Functional Endocrinology, 177

Bornstein, B., 442
Bos, S. E. et al., 570
Brændstrup, P. and Winge Flensborg, E., 474
Brain, acute diffuse infantile sclerosis of, 70
Brandt, S., 384, 481
Brendemoen, O. J. and Hartmann, O., 20
Brohult, A., 391
Bronchial changes in children with primary tuberculosis of the lungs, 43
Bronchitis, asthmatic, in children, 87
Böök, J. A. and Hesselvik, L., 359

Calcium, plasma, in cord blood and in the newborn, 126
Carlens, E. and Hellström, B., 43
Cerebellar ataxy, acute, in children, 595
Cerebral tumours, cases of congenital, 175
Chloromycetin palmitate, dosages of, 175
Cholera infantum, prognosis of, with and without aureomycin treatment, 490
Chondrodystrophia calcificans, congenital, 391
Choremis, C. and Danelatou, C., 428
and Nicolaides, Ph., 1
Christensen, V., 482
and Holst, H., 483
Claesson, U. and Lindquist, B., 278
Cocarboxylase content of the blood in children, 514
Coeliac disease
I. Criticism of the various methods of investigation, 24
II. The presence in wheat of a factor having a deleterious effect in cases of coeliac disease, 34
III. Excretion of unsaturated and saturated fatty acids by patients with coeliac disease, 97
IV. An investigation into the injurious constituents of wheat in connection with their action on patients with coeliac disease, 223
Colibacteria, certain type of, in relation to infantile diarrhoea, 215
Concussion in children, survey of material from a ten year period, 392
Congenital adrenal dysfunction, 282
heart block, 596
torticollis, early radical operation of, 596
Cortisone, effect of, on various metabolic processes in hyperplasia of the suprarenal cortex, 386
Coxsackie virus disease, epidemiologic and immunologic aspects of epidemic myalgia, 490

Creatinin tolerance test for renal function, 535
Cystine storage disease with aminoaciduria and dwarfism, 581, Suppl. 90

Daae Blegen, S., 378, Suppl. 88
Danelatou, C. and Choremis, C., 428
Day nurseries, illhealth among school children who had previously attended day nurseries, 491
Diabetes, acute complications in juvenile diabetes mellitus, 548
blood sugar during the first day of life in infants of diabetic mothers, 474
electrocardiographic studies in newborn children of diabetic mothers, 526
Diarrhoea, acute, in bottle-fed infants, treated with penicillin and dihydrostreptomycin orally, 480
infantile, bacteriology of, 246
in Finland, etiological studies, 246
prognosis of, with and without aureomycin treatment, 490
relation to a certain type of colibacteria, 215
Dicke, W. K. et al., 34, 223
Diphtheria prophylaxis, basal immunity and secondary response in, 542
Disease and death of children in a children's hospital, Colombo, Ceylon, 453
Douglas, A. A. et al., 581, Suppl. 90
Driessen, O. A., 447
Dvořák, J. and Jírovec, O., 232
Dwarfism and aminoaciduria, cystine storage disease with, 581, Suppl. 90
Dysostosis mandibulo-facialis, etiology of, 499

Ejlersen, P., 387
Electrocardiographic changes in morbilli, 389
studies in newborn children of diabetic mothers, 526
in scarlet fever, 585, Suppl. 91
Electroencephalography as a diagnostic aid in childhood, 384
findings in children treated for asphyxia neonatorum, 407
studies of, in asthmatic children, 432
Elephantiasis congenita angiomatosa, 416
Emphysema, mediastinal, and spontaneous pneumothorax in newborn infants, 170
Encephalography, experience with, 475
Encephalopathy, congenital polyporous, 481
Endocardial fibro-elastosis, 283
Enell, H. and Hahn, B., 416
and Lagercrantz, R., 316
Epidemiology, active basal immunity and its application to
I. General considerations, 540
II. Basal immunity and secondary response in diphtheria prophylaxis, 542
Ericsson, H. and Hesselvik, L., 542
et al., 540
Erythema annulare rheumaticum, 383
Eskelund, G. M. C., 346
Essential hypertension in a 12 year old girl treated with hexamethonium compounds, 570
Excretion of bicarbonate and potassium in premature infants, 485

Feldman, G. V. et al., 206
Fibroelastosis, endocardial, 283
Fibroplasia, retrolental, 172
relation to oxygen therapy, 474
the supply of oxygen to prematures and the appearance of, 147
Finch, E. et al., 581, Suppl. 90
Foght-Nielsen, K. E. et al., 475
Forsander, O. and Räihä, C. E., 514
Frantzen, E. and Bjørneboe, M., 478
et al., 478
Friis Hansen, B., 481

Galactosaemia, case of, with aminoaciduria, 480
Gamma globulin in infections, prophylactic use of, 595
Garby, L., 176, 351
Gard, S., 489
Gladnikoff, H. and Jacobsson, E., 393
Globulin, gamma, in infections, prophylactic use of, 595
Grahnén, H. and Selander, P., 283
Granrud, H., 499
Guillain-Barré's syndrome associated with poliomyelitis in newborn, 179
Gyllenswärd, Å., 596
and Nordbring, F., 356

Hackzell, G. and Bergstrand, A., 175
Haemangioma of the larynx, 65
Haemoglobin, foetal, 307
resistance to alkali, 305
Haemorrhagic diathesis, thrombocytopenic purpura after morbilli, 364
Hagberg, B., 172, 589, 597, Suppl. 93
and Herlitz, G., 179
Hagberg, E., 488
and Johansson, B., 487
Hahn, B. and Enell, H., 416
Hallman, N. and Rantasalo, I., 246
and Salmi, I., 126
Hansted, Chr. and Andersen, H., 386
et al., 385
Harper, J. et al., 206
Harris, H. et al., 581, Suppl. 90
Hartman, O. and Brendemoen, O. J., 20
Harvey, C. C. et al., 581, Suppl. 90
Heart, cardiac syncope, 391
coarctation of the aorta with an early onset of decompensation, 169
congenital heart block, 596
electrocardiographic changes in morbilli, 389
infant myocarditis, 168
peripheral pulmonary stenosis, 390
sino-auricular block in tobacco poisoning, 356

vascular ring, 383
volume during the newborn period, 173
Hedlund, P., 388
Helbo, S., 482
Hellström, B. and Carlens, E., 43
and Jonsson, B., 398
Hepatocerebral degeneration in infants, 488
Herlitz, G., 506
and Hagberg, B., 179
Herpes simplex, 206
Herrlin, K. M. and Möller, T., 391
Hesselvik, L., 491
and Böök, J. A., 359
and Ericsson, H., 542
et al., 540
Hexamethonium compounds, essential hypertension in a 12 year old girl treated with, 570
Hickmans, E. M. et al., 581, Suppl. 90
Hodgkin's disease in infancy and childhood, 597
Holmdahl, M. H:son, 596
Holmgren, B. and Kraepelien, S., 432
Holst, H. and Christensen, V., 483
Holzel, A. et al., 206
Housing conditions and morbidity, 482
and rickets, 483
Huggert, A., 147
Hyaline membranes in the lungs of newborn infants, 323
Hyaluronidase in scleroderma, 278
in the urographic examination of children, 393
Hypertension, essential, in a 12 year old girl treated with hexamethonium compounds, 570
Hypothyreosis, biopsy of the skin in the diagnosis of myxoedema in children, 479

Illhealth among school children who had previously attended day nurseries, 491
Impressions from U.S.A., 484
Infantile diarrhoea, in Finland, etiological studies, 246
prognosis of, with and without aureomycin treatment, 490
relation to a certain type of colibacteria, 215
Infection, oto-rhinological, in childhood, 166
streptococcal, in acute vulvovaginitis, 388
in a children's institution, oral penicillin as a prophylaxis against, 482
tuberculous, further studies of tuberculin hemagglutination in, 113
Intestinal parasites, 462
Iron binding capacity in serum of children in health and disease, 172
in serum of infants and children, 589, Suppl. 93
Iso-nicotinicacidhydrazide in tuberculous meningitis, 174
Iversen, T., 8

Jacobsson, E., 174, 490
and Gladnikoff, H., 393

Keilson, I. and d'Avignon, M., 407
Kerpel-Fronius, E. and Varga, F., 256
Kho Lien-Keng, 157
et al., 570
Kidney, creatinin tolerance test for renal function, 535
cystine storage disease with aminoaciduria and dwarfism, 581, Suppl. 90
hyaluronidase in the urographic examination of children, 393
maximal tubular transfer of glucose and para-amino-hippurate in premature infants, 337
Krabbe's disease, 70
Kraepelien, S. and Holmgren, B., 432
et al., 412
Kryptorchism, principles in the treatment of, 385
Kwashiorkor, 464
Kåss, A., 70
and Sundal, A., 265

Lagercrantz, R. and Enell, H., 316
and Wolfrom, I., 330
et al., 113
Larsson, Y., 548
Laryngitis, acute, bacteriological study of, 478
non-diphtheric, 478
Larynx, haemangioma, 65
stenosis of, in infancy, 65
Leukemia, case of agnogenic myeloid metaplasia, 481
hyperacute case of erythroleukemia treated with aminopterin, 157
some observations on the protein chemistry of, 391
Levander-Lindgren, M., 585, Suppl. 91
Lien-Keng, Kho, 157
et al., 570
Lignac-Fanconi disease, 581, Suppl. 90
Lind, J. et al., 113
Lindquist, B. and Claesson, U., 278

Lundström, R., 595
and Johnsson, T., 175
Lungs, peripheral pulmonary stenosis, 390
primary tuberculosis of, bronchial changes in, 43

Macrogenitosomia, caused by interstitial cell tumour of the testis, 369
Malm, E. and Tallqvist, H., 313
Malnutrition, infantile, oedema of, 256
Mannheimer, E. and Jonsson, B., 169
McNamara, H. et al., 485
Measles, acute blindness as complication of, 60
Menarche age in Copenhagen, 386
Meningitis, tuberculous, treatment of, 389
treated with iso-nicotinic acidhydrazide, 174
Metabolism, basal, in normal infants, 576
Micrognathia with lingual obstruction of the pharynx, 487
Middlebrook-Dubos' test, 316, 330
Milroy's disease, 416
Morbidity and housing conditions, 482
Morbilli, electrocardiographic changes in, 389
thrombocytopenic purpura after, 364
Mortality, differences in single and multiple premature births, 487
Mortensen, O., 480
Mossberg, H.-O., 175, 595
Myalgia, epidemic, epidemiologic and immunologic aspects of, 490
Myasthenia, familial early infantile, 442
Myocarditis, infantile, 168
Myxoedema, biopsy of the skin in the diagnosis of, 479
Möller, T., 390
and Herrlin, K. M., 391

Neonatal asphyxia, electroencephalographic findings in, 407
late prognosis of, 398
Nephrosis, 475
Neukirch, Fr., 476
Newborn, asphyctic, electroencephalographic findings in, 407
blood sugar during the first day of life in infants of diabetic mothers, 474
electrocardiographic studies in newborn children of diabetic mothers, 526
heart volume during the newborn period, 173
hepatocerebral degeneration in, 488
hyaline membranes in the lungs of, 323
late prognosis in asphyxia neonatorum, 398
mediastinal emphysema and spontaneous pneumothorax in, 170
plasma calcium in cord blood, 126
poliomyelitis in, with Guillain-Barré's syndrome, 179
rectal administration of oxygen to newborn anoxic kittens, 313
unilateral skin vessel crises in, 506
Nicolaides, Ph. and Choremis, C., 1

Niemann-Pick disease and Tay-Sachs disease, identity of, 447
Nordbring, F. and Gyllenswärd, Å., 356
Nutrition, intravenous, of premature infants, 282

Obesity, psychogenic, in children
I., 8
II., 130
III., 191
IV., 289
Oedema in infantile malnutrition, 256
Operation, early radical, of congenital torticollis, 596
Oto-rhinological infections in childhood, 166
Oxygen, rectal administration of, in newborn anoxic kittens, 313
relation of retrolental fibroplasia to oxygen therapy, 474
supply of, to prematures and appearance of retrolental fibroplasia, 147

Pacifier, frequency and influence on milk teeth, 283
Pain, recurrent abdominal, in children, 383
Pedersen, J., 474
Pehrson, M., 168
Penicillin, effect of, electrocardiographic studies in scarlet fever, 585, Suppl. 91
intramuscular treatment of acute dyspepsia in bottle-fed infants, 480
oral, as prophylaxis against streptococcal infections in a children's institution, 482
Pertussis, hyperimmune serum in prophylaxis and therapy of, 175
Peterson, J. C. et al., 113
Philpott, M. G. et al., 581, Suppl. 90
van der Plaats, A. B. J. and Stoppelman, M. R. H., 215
Plasmacell pneumonia, due to pneumocystis carinii, 232
Plum, P., 482
Pneumocystis carinii producing atypical pneumonia in infants, 232
Pneumonia, atypic, in infants, due to pneumocystis carinii, 232
Pneumothorax, spontaneous, and mediastinal emphysema in newborn infants, 170
Poisoning, tobacco, with sino-auricular block, 356
Poliomyelitic problems, 487
Poliomyelitis, due to prophylactic diphtheria vaccination, 1
epidemic in 1952—53, 476
in newborn with Guillain-Barré's syndrome, 179
and toxoplasmosis, comparison between, 489
Poulsen, H. et al., 478
Predisposition, familial, to congenital pyloric stenosis, 484
Pregnancies, first, incidence of Rh antibody formation in, 20
Prematures, 378, Suppl. 88
appetite and caloric requirements of so-called prematures, 171
atypical pneumonia in, due to pneumocystis carinii, 232
differences in the mortality of single and multiple births, 487
excretion of bicarbonate and potassium in, 485
intravenous nutrition of, 282
long-term prognosis for, 591, Suppl. 94
maximal tubular transfer of glucose and para-amino-hippurate to, 337

pseudoprematurity, 520
supply of oxygen to and appearance of retrolental fibroplasia in, 147
Prevention of accidents to children, 597
